2019	10 th , C.B.S.E	Longview Public School, Nainital	90.33 %

EXPERIENCE

- **Front-End Development Intern, Unified Mentor (Aug 2024 - Present) :**
 - Responsible for creating responsive and visually appealing user interfaces using HTML, CSS, and JavaScript. Worked closely with the design team to translate wireframes into functional and interactive web pages.
 - Worked in an agile environment, participated in daily stand-ups, sprint planning.
 - Collaborated with backend developers to integrate APIs and ensure seamless data flow between the frontend and backend systems.
- **Graphic Design Intern, Futurus (July 2024 - Present) :**
 - Recognize challenges faced by the company, increased growth by 20% on both LinkedIn and Instagram.
 - Modified the website and generated user-friendly designs, resulting in 15% increase in user satisfaction.
- **Vice Student Coordinator, NSS - Graphic Era University (Mar 2024 - Present) :**
 - Led the NSS GEU branch of over 3000 members as a Vice Student Coordinator.
 - Raising over Rs.55,000 as funds for orphanages through game-oriented fundraising events organized at the college level.
 - Maintain balance between different cells i.e. event planning, graphic design, data analysis, discipline, web development, public relations and NGOs.
 - Increased success rate by 20%, student interest by 30% and student satisfaction by 10%.
 - Organized various events like blood donation camps, cleanliness drives, plantation and fund-raisers at colleges.
- **Graphic & Designing Coordinator, NSS - Graphic Era University (Aug 2023 – Mar 2024) :**
 - Identified and matched volunteers' talents and interests with specific design projects.
 - Resulting in a 30% increase in project completion rate, 20% improvement in volunteer satisfaction.
- **Q&A Expert, Chegg India (Apr 2023 – Mar 2024) :**
 - Delivered expert Q&A solutions for over 200 students monthly on Chegg India, an E-learning platform.
 - Enhancing comprehension across various subjects and increasing student satisfaction scores by 25%.
- **Technical Team, Survey of India (Oct 2022 - Dec 2022) :**
 - Technical team member for the Uttarakhand Map Quiz 2022. Collaborating with Survey of India (SOI) and Indian Society of Remote Sensing (ISRS).
 - Enhanced remote sensing methodologies, reaching over 1,000 participants of various schools and colleges. Improved data accuracy by 20%.

PROJECTS

- **Amazon Clone Website (May 2024 - July 2024) :**
 - Build a full-stack e-commerce website (Amazon Clone) businesses with a platform to reach a wider audience and streamline their online sales operations.
 - Ensure optimal performance and responsiveness across various devices and browsers.
- **Person Re-identification in Videos (Oct 2023 - Dec 2023) :**
 - The objective is to enable the tracking and monitoring of persons in extensive surveillance systems by identifying the same person in various settings and situations.
 - Retail analytics, public safety, and security are among the fields in which this technology finds use.

- **Smart Waste Management System (May 2023 - Jul 2023) :**
 - Developed a Smart Waste Management System, which leverages technology to optimize and improve the efficiency of waste collection, processing, and disposal.
 - It integrates various sensors, data analytics, and communication technologies to monitor and manage waste in real-time.
- **Advanced Employee Management System (Oct 2022 - Dec 2022) :**
 - Developed a company management system that keeps track of all information relevant to a company and its employees.
 - The system has two major elements: admins and users.
